Of This Season's Qualities and Values

We are happy to say that we can give our customers this season such superior qualities at much lower prices than we have been able to offer them for many years past.

We always try to keep the quality and price on the level, and if you find any difference this season the price will be just a notch lower.

Our Men's and Boys' Overcoats, Mackinaws, Sweaters and Sheep Skin Coats are a little better than the price we are asking for them, but when we "holler" QUALITY we must give it.

This is just what we always aim to do. We believe your satisfaction is an asset in our business.

No woman who needs a Winter Coat will be disappointed with our showings and values.

I AM THE COUNTRY NEWSPAPER

By BRISTOW ADAMS.

I am the Country Newspaper.

I am the friend of the family, the bringer of tidings from other friends; I speak to the home in the evening light of summer's vineclad porch or the glow of winter's lamp.

I help to make this evening hour; I record the great and the small, the varied acts of the days and weeks that go to make up life.

I am for and of the home; I follow those who leave humble beginnings; whether they go to greatness or to the gutter, I take to them the thrill of old days, with wholesome messages.

I speak the language of the common man; my words are fitted to his understanding. My congregation is larger than that of any church in my town; my readers are more than those in the school. Young and old alike find in me stimulation, instruction, entertainment, inspiration, solace, comfort. I am the chronicler of birth, and love and douth-the three great facts of man's existence.

I bring together buyer and seller, to the benefit of both; I am part of the market-place of the world. Into the home I carry word of the goods which feed and clothe and shelter, and which minister to comfort, ease, health, and happiness.

I am the word of the week, the history of the year, the record of my community in the archives of state and nation.

I am the exponent of the lives of my readers.

I am the Country Newspaper.
